

Double the lifetime with Light Tape® Extreme Series™

Light Tape® is the most versatile and energy efficient lamp in the world. Add an extended lifetime of 40,000 hours to all of the best qualities Light Tape® has to offer, and you have our new Extreme Series™.

- Light Tape® is thin as a credit card, cool to the touch, and costs a fraction of what LED, fiber optics, neon, or fluorescents cost to operate or maintain.
- Consumes less than 1 watt per meter.
- Illuminate 100 feet for under \$30 per year.
- New colors that really shine.... Try our new Extreme Kryptonite Green!
- Ideal for safety lighting on steps, railings, and signs.
- Up to 10 years of useful life, perfect for long life applications. Add a sexy vibe to your VIP room or feature your high end liquors.
- Backlight your onyx, stone, or acrylic bartops with our customized panels.
- Enhance the atmosphere of your club with the addition of Light Tape® to stages, poles, tables, even your dancers!
